Dear Club,

When I took up horse riding, the only thing that my boyfriend, Mike, could think of saying was, "I can't wait to see you in jodhpurs!" Whilst I was a bit pissed off with him at the time, I've since found that I love to wear them. I feel incredibly sexy, arriving home with my body squeezed into tight material that shows off all my curves. He's been careful not to make any more comments, as he knows how seriously I'm taking each lesson, so as a reward I decided to give him a treat.

My lesson was cancelled, but I didn't tell him, getting ready as usual. I made sure he watched me as I climbed into my jodhpurs, wearing only a tiny G-string underneath. As I pulled each boot on, I could see his eyes burning into me. Still naked from the waist up, I gently arched my back and took my time pinning my hair up, checking and admiring myself in the mirror. I then proceeded to place my riding helmet on and reach for my jacket. I caught his bemused look in the mirror, before turning to face him with the riding jacket half open, displaying my cleavage. His jaw nearly fell to the floor when I announced, "I thought I'd give the riding lesson today."

As I walked seductively over to the bed, he edged back with wild excitement in his eyes. Placing one leg on the mattress, I picked up my riding crop and ran it along the inside of my thigh, before placing it between my legs, taking the other end from behind and pretending to ride it. His chest heaved up and down with anticipation, and holding the crop like a jockey I crawled onto the bed slowly, straddling him. I could see the lump bulging in his trousers, so pushed my crotch over it so I could just feel his dick against my mound.

I began to grind my pussy hard against it, taking the collar of his polo shirt tightly in my hands as if I was gripping reins. The crop was still in my right hand and I increased the rhythm of my hips, sitting upright in the perfect riding position, my tits bouncing freely inside the velvet jacket. After about a minute or two, Mike suddenly pleaded, "I can't take this any more!" and yanked at the elastic waist of my jodhpurs, exposing my hips and the band of my G-string.

Letting him pull them past my knees and down to my calves, I opened his flies, his dick springing upright immediately. Mounting him again, I sunk over his shaft easily, my pussy

THE GOLDEN AGE!

Dear Club,

Being one of your older readers I've been buying club since the early 90's and I've often wondered why you state the age of your printed lovelies in *Mayfair* magazine but not in *Club* or *Men Only*, and as I'm an avid buyer of all these titles I would very much like to see the age of the girls from now on. If I'm jerking off it is a massive turn-on to know how much younger a girl is than I, especially as I'm approaching the ripe old age of 38. Is this something you could do for your readers? Also, any chance of some re-runs from bygone days? I would very much like to see a reprint of the early 90's and your much-loved centre spread of the day

Lucy! I particularly remember one shot of her dressed as a buxom cook in an old style kitchen set, trussed up in some old outfit with flour all over her bum, something that really did it for me back in my later teens.
Justin, Jersey.

This editor first started buying Club when Lucy was the regular girl, and I remember that set very well. I'll leave it up to other readers as to whether we do re-runs or not – or would you rather we kept all the pages for new girls? Or shall we bring back our 'Crack to the future' feature? As for ages – we let you know when we know – some girls can be a bit precious about that information!

OVER THE POND!

Dear Club,

Sophia, Sasha, Chloe, Amy Pond's bum – *Club* 43/5 was the perfect issue for me, especially as you added my favourite Yank in Mia as well. Any chance of getting her over to the UK to shag all my fave Brit girls? I'd like to see her and Dani Maye share a double-ended dildo, or to watch her get really dirty with Sasha. Please say yes!

Kam, Clapham

We're not sure we can pull those strings – especially as Sasha has left the world of modelling once more (although not before one last kick-arse photoshoot for Club, coming soon!), but we'll do our best. And keep it peeled for a new Club regular girl coming soon!

lips wet from the foreplay. I returned to my riding position and began to fuck him quicker, gripping his collar and telling him I was going to take him on a, "nice long gallop."

My boots were digging into his thighs as I worked myself into a shagging frenzy, his length filling me totally as I 'rode' myself to orgasm. "Cum with me," I commanded, and almost on cue I felt his warm load shoot into my hole. The amount of spunk he pumped into me was incredible. Catching sight of myself in the mirror, my head rolled back in ecstasy, I saw the rigid nipples of my tits poking out through the jacket. At that point I realised just how right he had been all along, I certainly did look and feel horny in jodhpurs. However, I felt even better with them around my ankles!

NINA ♣

Stocking thriller...

Nina came over to do an in-house photo shoot and we got to learn at first hand just how much she loves to glam up.

"I got to pick from all the lingerie and it was like being a kid in a sweet shop," she gushed. "I could play dress up all day. It's all about maximum impact – getting the right combo to get the right look. You don't want to overdo it and look too slutty, and you don't want to have to peel too much off when things get interesting. I definitely feel powerful and much sexier when I'm wearing stockings, suspenders and high heels."

We feel sexier then as well... ♣

NATALIA ♣

Shocking pink...

Natalia has appeared in *Club* so often over the last few years that she deserves a frequent flyer card. But rarely has she looked as hot and fuckable as she does here. It just goes to show how well the simple things – some kinky pink boots, for example – work on the average male libido.

“I do love these boots,” she says, “I can go out in them but they’re at their best when worn with nothing else, just these boots and my naked body towering over a man as he licks his way up from them to my pussy. Mmmmm!” ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL REJECT!

No-one likes being stood up, which is why I agreed to be a substitute for my friend, Faye. She'd been set up on a blind date when a bloke at work she'd fancied for ages finally asked her out. "So you want me to go out with your reject?" I asked.

"It's not like that," Faye complained. "Apparently, he's a really good bloke. It's just that I want to see how it goes with Jason." Faye had been harping on about Jason for months, so I knew how important it was that she let things run as smoothly as possible with him. "You can just go and see what you think. If you don't like him, you can just have a drink and leave. But be nice, please?" I agreed to be nice but had no idea how naughty I was going to end up being.

His name was John, and he was so breathtakingly handsome that I didn't correct him when he called me Faye as he took and kissed my hand. My brain had turned to mush and I wasn't sure of my own name as he offered me my chair. Having not initially corrected him, I found it impossible to do it as he set about ordering drinks. I was dazzled and could tell that I'd caught his eye as well. The tight silver mini-dress and matching heels had been chosen in case I'd decided to ditch John early and head out into town. That wasn't going to happen, not if I could help it.

We chatted, telling each other what we'd

been up to, holidays that we'd been on and other safe, first date topics but all I could think about was what was going to happen at the end of the date. Or what I wanted to happen. Faye wasn't the only one who hadn't had sex in a while. I determined that my version of Faye was going to end her dry spell this very night.

My hand found John's knee and his found mine and slowly moved up onto my bare thigh. I gave him every green light I could think of, so after he leaned forward and kissed me at the taxi rank, he was well within his rights to ask me back to his. "I'd love to," I gushed, making no attempt to cover my enthusiasm or my knickers as we ducked into a taxi.

John pulled me inside his flat and pushed me against a wall, kissing me while I used him for balance as I kicked off my shoes. "I can't believe we're doing this, Faye," he exclaimed, as his hands pulled eagerly at my zipper. My stomach knotted with excitement. Faye wasn't doing this but it might be fun to pretend she was. We ended up in John's bedroom. "I'm sorry," he said, as he pulled at the messy bedclothes. "I really wasn't expecting to bring anyone back tonight."

"Anyone?" I teased, as I pulled my shoulders out of the dress and unfastened my bra. John's gaze fixed on my breasts. I hid them behind the palms of my hands, wriggling seductively as my dress dropped around my ankles.

"Sometimes he pulled out all the way to the tip before slamming back in as hard as he could"

"Well, not anyone," he said, obviously quite stunned.

"Pull my panties down," I whispered the instruction so quietly that John's whimper sounded like a roar of excitement. He dropped to his knees and used his hands on my hips to turn me around. I knew he'd seen the outline of my shaved pussy through the lace of my panties but wondered whether he'd been able to detect the scent of my arousal. I gasped as he slid the panties down, not because he did it in one swift movement, but because he pressed his face up between the cheeks of my bum at the same time. I fell forward so that my hands were on the mattress while my bum was still high in

the air. John's tongue snaked out and touched the centre of my exposed arsehole. I thought he'd work down to my pussy and lick between my lips but his tongue remained firmly buried in my bum. It wasn't what I'd been expecting but it felt nice in a ticklish kind of way.

I moaned, and crawled onto the bed, not to escape but to allow John even greater access. As I parted my legs wider, he buried his face between the cheeks of my arse, lapping hungrily up and down, pushing his tongue hard against my knotted muscles. It felt like he was trying to get it inside me as he licked and sucked on my anal opening, totally ignoring my pussy.

"You've got an amazing bum, Faye," John gasped between licks. "I so want to stick my dick in it." My stomach tensed with excitement. I rarely did more than a tongue-filled goodnight kiss on a first date but since I was Faye for the night, perhaps I could do things differently.

"Get your pants off," I breathed.

John stood up, pulled his shirt up and over his head, then unbuckled his trousers. I shuddered as I saw the bulge in his boxers. John was a big boy, an observation which he confirmed seconds later. "You really think this thing is going to fit in my bum?" I asked doubtfully, taking a gentle hold of his cock and rolling the foreskin down.

"I've got lube," John said.

"Oh my fucking God," I groaned, as John pushed some of the lubricant up my bum. I found myself moaning softly as his fingers pushed inside my bottom. I'd played with my own bum quite a bit and had a few anal toys but I'd never allowed a man to take control of my bum before. He really was in control – it

the last few years. That was until I moved into digs with Stacy. Stacy's the complete opposite of me; leather trousers, tight T-shirts, bulging cleavage on show, lots of lip-stick to accentuate her "cock-sucking lips" (her words, not mine), she looks stunning. But Stacy doesn't do things for show, she dresses this way because she loves

was John who determined that I was ready. I was on my hands and knees on his bed as he moved in behind me and touched his cock against my bumhole.

"Your bum is perfect," he said. He held my hips as he pushed forward. There was pressure more than the pain I had expected. "Well, it's perfect now," John groaned. I wanted to see what he was seeing; wanted to see his cock sticking obscenely out of my bottom. I gasped and found my fingers moving back to my empty pussy as he started to fuck me. This was the dirtiest thing I'd ever done. I'd gone on someone else's date, pretended to be my friend and was now allowing her date to fuck me in the ass, with us both thinking I was her. That was why it felt so fucking good when I started rubbing my clitoris.

"Fuck me," I gasped. "Fuck Faye's tight ass." Uttering the words made my body sing with dirty delight. I never talked dirty during sex. Apparently Faye did. The passion rose and my toes curled as John started plunging his cock in and out of my arse. Sometimes he pulled out all the way to the tip before slamming back in as hard as he could, other times he paused with his entire cock buried in my bottom. His every movement made me gasp with pleasure and I matched his rhythm with the fingers rubbing my clitoris. I arched my back, unintentionally changing the angle of penetration and quivered as the pleasure in my clitoris seemed to join forces with the heat in my bowel. John was fucking my arse, properly fucking it, and he was going to make me cum. "Cum in my arse," I begged.

"Jesus Faye, I can't believe how filthy you

are." Faye wouldn't believe how filthy I'd been either.

"Ooh, fuck!" I gasped, as the wonderful cramps of an orgasm reached from my clitoris into my abused bottom. It felt different, more intense and I knew that I'd want to do this again.

"Oh God," John groaned, and I sighed happily as he glided to a slippery, sticky halt inside my arse. I kept my throbbing, spunk-filled bum high in the air as John finally sagged down heavily onto the bed beside me. As rejects went, John was definitely a keeper. *Gayle, Inverness*

COMING OUT OF THE CLOSET!

I've always been shy, ever since I was a little girl. I can't help it, it's just the way I'm made, but I've missed out on an awful lot of fun over

sex and I don't mean she has a cosy love life with her boyfriend because she doesn't have a boyfriend – well, not one particular guy anyway. No, Stacy's philosophy is that she'll settle down one day, but before then she's going to do everything her cunt desires, and her cunt desires constant pampering.

She watches porn all the time, masturbates every day and has absolutely no sense of shame. The things I hear going on in her room when she's brought a bloke home, I can't even begin to describe. I have to admit though, it does turn me on and I often listen at the wall with my fingers inside my pyjamas.

Then, last month, I was up and about in the morning when two guys came out of Stacy's room and headed for the front door. I couldn't believe my eyes. When Stacy emerged a few minutes later I asked her if she'd had

sex with both of them, and she said she had.

"Never settle for one cock when you can get fucked by two," she laughed, then told me all about how the guys had spit-roasted her, taken turns fucking her pussy, then finished by fucking her in both holes at the same time. My slot was absolutely dripping as she told me all about it and had to nip to my room and bring myself off when she went for a shower.

The next day I asked her if she'd really done all the things she said and she insisted she had.

"I'll tell you what, why don't you hide in my

allow Stacy to suck his cock, while the other started fucking her from behind. It was quite unbelievably arousing to watch and I dug two fingers into my dampness and stroked my swollen lips until I clenched around my knuckles. This made me emit a little murmur and Stacy glanced in my direction and smiled before returning her mouth to the hard dick she was slurping up and down.

"Oh yeah, that's it, fuck me in the arse," she told the guy behind her, and I suddenly realised that she wasn't just being fucked, she was being anally fucked.

"Fuck it, fuck it deep," she demanded as she wanked the other guy into her face. I knew right away that Stacy was saying all this for my benefit and I started moaning uncontrollably as I felt the full force of my orgasm grip me.

I was now so turned-on that I could hardly see straight and lay back against the back of the wardrobe, thrashing my pussy with five sticky fingers. I heard Stacy moan again and again and quickly returned my eyes to the keyhole just in time to see the guy she'd been sucking off explode all over her face. Stacy wanked him hard as he came and he splattered her nose and mouth with great ropes of sticky cum so that it dripped off her chin and on to her tits.

At that moment I would've given anything to swap places with Stacy and juiced all over my fingers at the sight. I'd never been so excited in all my life and wondered if I dared open the wardrobe door and ask to join in, but all of a sudden I didn't need to.

Before I knew what was happening, the second guy jumped off the bed and yanked open the wardrobe door, catching me in the act. His long hard cock bobbed up and down

“Stacy spread her legs and told me to lick her arsehole, so I slipped my tongue into her bum”

wardrobe and watch the next time? It would be super fun knowing you were there," Stacy suggested, and after a little thought I said I would. The following Friday Stacy called to say she was on her way home and told me to go and hide.

I did as she said and pulled the door to, so that I could look through the keyhole and five minutes later she stumbled in with two different guys! My heart thumped in my chest as I pressed my eye to the keyhole and I could barely control my breathing. The three of them tore into each other's clothes with the lights on and the guys stroked and caressed Stacy all over as she kissed each in turn.

I looked where her hands were and saw that she was holding both of their cocks and simultaneously wanking them hard. This took a matter of seconds and suddenly she was sandwiched between two rigid, up-turned pricks. This set my pussy tingling like crazy, and I rubbed the front of my knickers as I watched the three of them roll around on the bed together.

One of the guys laid back to

just a few inches from my face and I saw Stacy smiling at me.

"Guys, this is my flat-mate and she's even filthier than me. Why don't you lads show her a good time?" she suggested, and suddenly I had a big, hard cock in my mouth. Events had moved so quickly I had no time to react, I simply did what was expected of me and sucked the length of this guy's steel-hard rod as Stacy and her bloke looked on.

"Look at her go, she sucks like a pro, doesn't she?" Stacy laughed, then she got down next to me and the pair of us sucked cocks side by side. I turned to watch Stacy as she worked that big fat dick in and out of her face and I tried to emulate her. I drew my lips backwards and forwards along his shaft while daubing his eye with my tongue and pretty soon I could taste his sticky pre-cum discharge seeping into my mouth.

I started to moan with anticipation and thrashed his meaty root with my slender fingers until the guy was straining to hold back. I'd never swallowed a guy's cum before but I was determined to do so now, so that when he loosed off a great milky wad all over the back of my throat I gulped it down as quickly as I could. There was so much more than I'd expected and the guy just kept squirting, but I wasn't going to let a drop of cum go to waste and drank the whole lot down before sighing with genuine gratitude.

I was just licking that last of his sperm from his cock when I felt my bum being lifted from behind. The guy who'd been with Stacy was stroking his rod over my swollen lips, then all of a sudden he was inside me. He held me by the hips and rocked his fabulously stiff cock in and out of my dripping cunt and told me what a slut I was.

The guy I'd been sucking moved to one side and Stacy replaced him in front

of me. I knew exactly what she wanted and at that moment I was in no fit state to deny her. I buried my face in between her legs and licked her sticky cunt with a wanton hunger that took my breath away.

Stacy spread her legs over my shoulders and told me to lick her arsehole too, so I slipped my tongue into her bum and rimmed her creased ring until she came all over my face.

"Fuck me in the arse," I demanded of the guy behind and my heart skipped a beat when I felt him pull out of one hole and press against the other. The guy leaned forward, planting his pole between my cheeks and I howled into Stacy's pussy as he plucked my anal cherry. He pounded me for several minutes and I thought it would never end, but finally I felt a warm squirt of goo fill my rear and he held himself tight against me until he'd pumped me full of cum.

By this time, the first guy was hard again so I didn't get much of a respite. He slotted himself up inside my pussy and fucked me until I dripped cum from there too. Stacy wants to do this again, but says next time she wants to be the one watching from the wardrobe. How can I refuse?

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

At last! We've been waiting a hell of a long time for the gorgeous Scarlett Johansson to show us what she's been hiding. In fact, we've been longing for more ever since that glimpse of her in panties at the start of *Lost In Translation*. Okay, Jonathan Glazer's *Under The Skin* isn't a film you'd call sexy – weird, yes, challenging, yes – but when it comes to casting a nude alien, who else do you call but Scarlett?

SHYLA ♣

We want to pat Jennings...

Shyla Jennings, winner of the All Girl Performer of the Year at the AVN Awards in 2014, looks and sounds Texas through and through. So it's strange to learn that she's from Stuttgart. "Oh, I've never even

been to Germany since I was little," she says. "I'm definitely a Texan, I'm definitely bisexual and I'm definitely not going to fuck men on films. I like to keep something in reserve, and only men I bang get to know what tricks I've got!" ♣

SHYLA ♣️

What our well-placed moles are telling us this month...

DOWN THE WIRE

Fanny Fire!

"Do you smoke after sex?" "I don't know, I've never looked." The old jokes are often the best, but 19-year-old Dallas Archer could have added a whole new dimension after Kings Port Jail searched the teenager on her arrival and found a loaded, five-shot, 22 caliber mini revolver concealed in Archer's vagina. The gun was stolen from a 70-year-old retired car salesman last year, who reportedly on the return of his weapon said he'd make sure to give the, "little fellow... a bath in bleach."

Far Fetched!

A mother's devotion to her child generally knows no bounds, however in this case a \$200 ransom was a little overpriced. Zachery Logsdon, 25, of Knoxville Tenn., repeatedly texted his mother claiming his drug dealer was going to kill him if he didn't cough up \$200. Logsdon's mother was dubious after being scammed before by her son, but eventually called 911 to set up a drop-off. On Logsdon's arrival to pick up the cash he saw investigators and made a dash for it, being taken down after a short chase. Logsdon was charged with filing a false report and resisting arrest. Wouldn't it have been easier to sell your kidneys?

Bad-Ass!

'Twerking' has swept the nation, though demonstrating it isn't appropriate everywhere. Three women were arrested recently after an incident began with two of the defendants 'twerking' near the municipal court windows in Beaverton, Oregon, where Coura Valazquez was paying a fine for a warrant, allegedly exposing their genitals. The trio then left the building only to be pulled over and searched by police two blocks away where they found cocaine, methamphetamine and marijuana. All three women were arrested on multiple drug charges. I think we can safely say they'll be "twerking" all the way to jail. Miley Cyrus would be proud.

Canter Copped!

The Ancient Greeks wouldn't have batted an eyelid but this has proved too much even for Craigslist. An Arizona women has been arrested on grounds of bestiality after trying to procure sex with a horse via Craigslist. The transgender woman, legally known as Donald Waelde, 22, posted her ad in the Missed Connections section stating, "I am 22 years old and I want to play with a male horse. Simple as that. If you have access to a male horse, and can allow me access to a male horse, then contact me please :) I will do something in return." I don't think we want to know what you were going to do in return, you sugarcube grooming bastard... ♣

GIRLFRIEND

NAME: Charlotte **AGE:** 23

FAVE SEX: Anal

WHAT'S SHE LIKE? Classy, kinky

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I'm hoping to break into modelling, and *Club* seems like the perfect place to start.

JUST MODELLING?

Maybe some film work too. I've done some stuff with girls for a company, but I think I'm ready for boys now as well.

AND IN REAL LIFE?

I'm hetero all the way. I really like it up the bum and I'm afraid a dildo or a strap-on don't really cut it in that department. You need the real thing!

ANYTHING ELSE WE SHOULD KNOW?

Well, I'm unusual for a girl in that I hate reality TV. I'm not a cheap date, and I like to tie blokes up and tease them for hours. Will that do? ♣

JENNY ♣

Ms. Laird's lair...

It's one of life's regrets that we're not on Jenny's fuckbuddy list. It's probably the only chance we'd get to see her in action. She's not a porn girl. Hell, she's not even a girl/girl photos kind of girl. No, while she's filthy as hell and exudes raw sexuality, she keeps it behind closed doors when it comes to the real action.

"I love to fuck, don't get me wrong," she reveals, "but I'm a one on one girl. I love the moment, the intensity you get from being with one person, making them feel like they're all that exists. I will do some fucked up shit to make you jizz, but I won't do it in front of a camera or other people. It's all for you. And it'll be worth it. I like to leave things to the imagination, but one night with me and you'll be cuntstruck forever!" ♣

CIRCLE OF FRIENDS!

Me and my mates are real party girls, and, naturally, love fucking as many guys as possible. But we can have fun just as easily by ourselves – and there's nowhere better to get some great action going than when one of us hosts a sex aid sales party.

It was Lorraine, my sexy blonde best friend's turn to organise one such bash round her place. After a few bottles of vino we were shrieking with laughter at the love eggs, dildos and vibrators that she was passing round, not to mention some well-horny underwear. While Brenda, with the big tits and all-over tan, had gone to the loo to try on a PVC basque and knickers she fancied, I picked up a big, fat, black dildo. I began sucking on it noisily for a laugh, writhing on the sofa. Lorraine, who was sitting next to me, started fondling my boobs through my blouse and black bra. As she kissed my long, dark hair she kept saying stuff like, "Look girls, Cathi wants it," and "Cathi's being a filthy slut for us!"

Her dirty talk and the feel of her hands working my tits began to get my slit all juicy, so I slid down the seat, causing my skirt to ride up, exposing my little black panties and

sheer black stocking tops to the rest of the girls. Nancy, the petite redhead, crouched between my legs and pulled my knickers aside, giggling as she ran her tongue along my pussy opening.

"Mmm, you do smell nice," she said, before plunging inside me, her mouth squashing against my pussy lips as she lapped away at my leaky love-tap.

I pulled the hard, cock-shaped toy from my mouth and wriggled its length between Lorraine's slightly parted thighs. She was wearing a pair of hold-ups and no knickers, so I was able to press the tip straight against her muff. With a few expert movements I managed to ease the whole bulging rubber knob tip into the mouth of her partially shaven fanny.

"What the fuck is going on?" Brenda shrieked as she came back into the lounge in her saucy underwear, her lovely, fat tits bulging out of the shiny

basque. She smiled and licked her ruby lip-sticked lips while taking in the horny sight of me being sucked out by Nancy, while sliding the dildo slowly in and out of Lorraine's slurping twat.

Grabbing a vibrator off the table, she flicked it on to full throttle and clambered on all fours to slip it into Nancy's cunt from behind. Lorraine picked another bright purple vibro and completed the circle by easing it underneath Brenda's shiny panties and into her hot wet cunt. Just imagine us: Four hot sex-hungry girls all joined together with glistening cum-covered sex toys, and not a guy in sight to get off on it!

After a bit of experimenting, we found we could synchronise the thrusts of the fake cocks so that each pussy was filled at the same time. The feeling was fantastic as each girl played with the girl in front's tits or fingered her bumhole. Brenda actually stuck her vibro slowly into Nancy's arse and worked it in up to the hilt. That got my gash-guzzling girlfriend so excited I thought she was going to choke on my fanny as she grabbed my bumcheeks and dragged me hard against her mouth.

Lorraine came first, heaving herself down

“ **Nancy pulled away, grinding her arse onto the plastic dick jammed inside her”**

on my black dildo – watching her quivering titties and the juice ooze around the rubber toy brought my climax on pretty smartish, too. Swallowing hard, Nancy pulled away, grinding her arse onto the plastic dick jammed inside her and rubbing her clit in order to hasten her own orgasm. Brenda took hold of the purple vibro that Lorraine had been using on her and deftly massaged her G-spot until she too boiled over.

We lay in a giggling, drunken heap for a few moments before finishing off the booze and cleaning ourselves with a lovely four-in-the-shower soap party. Bliss!
Cathi, Colchester.

SURPRISE SURPRISE!

I had recently been away for six weeks to America on business, and on the final phone call to my girlfriend she said that she had a ‘surprise’ for me when I returned. Before I went, she was concerned about me being faithful, and she had even said that she didn’t care how many strip clubs I visited as long as I didn’t cheat. She is dark and dresses classily, however, she knows how much I love the blonde bimbo look, and it was probably her way of showing me that she trusts me. Naturally, I took this as a green light to be in lap dancing joints every night!

As I arrived back through the front door of

our flat, I was greeted with a huge hug from someone I barely recognised. It was obviously Daniella, but she had dyed her hair platinum blonde, and had grown it past her shoulders! As she went to kiss me I was still distracted as her eyes were made up with dark mascara, and her face was tanned. Looking down, I could see that she was wearing a crop top, hot pants and tight knee-length boots! I fixed my eyes on her chest and saw her tits straining in the top, lifting the material away from her newly tanned body.

“Do you like them?” she asked confidently, as she lifted her top to reveal the most perfect breasts I had ever seen. I couldn’t believe that she’d had a boob job without telling me but I wasn’t about to discuss that at this moment! “Is this what you’ve been lusting after for the past six weeks?” she quizzed. I just nodded, my mouth wide open, drooling at her. I was unaware that my hand was down my trousers, and only realised when Daniella said, “You don’t have to keep it in there now, you know.”

She was totally in control, and turned her back to me. Then, placing a hand on each butt cheek, spread her legs and bent forward. The leather hot pants smoothed over her snatch and she rubbed her finger against it, just as I had seen a girl doing a couple of nights before. Turning back round, she

cupped her fantastic tits and walked seductively towards me, and then removed her top in one movement. Spinning it over her head, she then wrapped it round the back of my neck, and pulled my head into her awesome new cleavage. I licked and kissed at her tits frantically, grabbing fistfuls of arse as I ground my exposed prick against her, begging her to hold it. However, she pushed my head back, forcing me to watch with my throbbing cock in my hand a bit longer.

She ran through a whole strip tease, which was every bit as good as any I'd seen; but this was my girlfriend! "You promise no one did this to you?" she suddenly questioned,

“Feeling the cum shooting through my prick, I took hold of her hair and held her head back”

before roughly grabbing my dick and stroking it rhythmically in her perfectly manicured hands. "No, no I promise" I meekly replied.

Then, dropping to her knees as if I was the pole in a club, she then said, "What about this?" and sunk her bright red lips over my grateful penis. "I promise!" I virtually shouted as she licked the length of my shaft. "I bet you wanted to cum on their tits, didn't you? Did you want to fuck their pussies?" she asked aggressively, "Tell me the truth." Caving in, I shouted, "Yes, yes!" and, feeling the cum shooting through my prick, I took hold of her hair and held her head back, staring in awe at how slutty she looked. I soaked her breasts with every drop of frustration I had built up and then entered her mouth again as she licked me clean. It was like all my fantasies rolled into one. She had one final question for me, "Are you glad to be home?" There was no need to answer that.

POP SHOP!

I work at a greengrocer's, and I've got quite close with Jack, this cute guy who works there. A while ago, after work, we were alone in the shop. You can guess what happens next – pretty soon we were naked and going at it.

His cock looked delicious, so after pumping his hard-on in my hand, I dropped to my knees and stuck the purple head into my

eager mouth. Love that hot dick taste! I worked my mouth over and along his hot stiff rod till the whole shaft was in my throat.

Surprisingly, he pulled his cock out of my mouth and went down on me. Now, there are blokes who can lick cunt and there are blokes who really live to lick cunt! It turns out Jack was one of the latter group! I laid back, spreading my legs so he could see my moist cunt open up. He pushed his head towards my pussy and flicked his tongue around my slit while parting my lips with his fingers – I loved the way his tongue darted in and out.

I tugged on my erect nipples, tweaking and pinching them to maximum hardness. Jack's tongue traced the edge of my cunt lips and worked down underneath to my arsehole. I felt my climax rise within me as he continued to drive me wild with his tongue, quick brushes over the clitoris with the occasional lunge into my sopping wetness. Now my orgasm was coming on like an express train, and when it came, I thought it'd never end! Spasms raced through my cunt, and as I yelled in ecstasy, Jack pulled back and shot his load onto my stomach. He hadn't even been pulling his pud or anything!

Before I could get my breath back, he was going down on me again. I'm telling you, that stud could eat pussy better than anybody I've ever come across – excuse the pun. I'll be waiting after work again!

Amanda, Macclesfield.

KAMI 

A Kami-oh! appearance...

The only bad thing about this brand new photoset from our favourite redhead Kami is that it was shot in Los Angeles, several thousand miles from where we were on the day.

"That's such a shame," Kami laughs, "we had a real blast that day. It was sunny, we made Margaritas and after the shoot we got a little rowdy in the photographer's pool with some other models."

For fuck's sake Kami, don't rub it in. We were playing darts and drinking cooking lager while it pissed it down outside that day.

"Darts? That sounds fun. I might have to do my next shoot with you guys..." ♣

RYAN ♣

Green piece of ass...

Super hot Ryan has proven to be a real hit with our readers, so we had to get her back in the mag. So, what has she been up to in the three days since we last photographed her?

"Ha, you have been calling me a lot. It's nice. I usually get blocked numbers with heavy breathing."

We're not confirming or denying anything.

"Generally I've just been shooting and partying. Lots of wild pool parties in the hills. You should join me sometimes, it gets wild."

It's a long way from Hersham.

"What's a Hersham?"

Exactly... ♣

SOPHIA ♣

Winter buns...

Ah, the life of a top glamour model. While we lowly editors slave away at this time of year to make sure we meet the seasonal demand for grumble mags, they're swanning off to sunnier climes to get some winter rays.

As icicles form on our noses, the lovely Sophia slowly tans as she strips off in the sun. We're sure she's sparing us a thought as we toil at our desks and some minion fetches her a daiquiri to sip at the side of a pool.

Of course, none of this is true. We found out exactly where Sophia was shooting these photos and managed to finagle a few much-needed holiday days in the villa next door. That's why they invented binoculars, after all... ♣
